ANNUAL CHRISTMAS PARTY SET TOMORROW

YULE TOY STACK TO BE GATHERED IN REDWOOD CITY

To assure that Christmas will be a time of real cheer and not one of disappointment for children of needy families in Redwood City, the Sequoia Times and Redwood City Tribune today announced that they will again this year jointly sponsor a toy drive.

Used toys that are in good condition, new toys or cash donatons will be welcomed. Collections will be made at Sequoia high school through third period classes and other donations will be received at The Tribune office.

Some of the toys will find their way into food boxes to be packed and distributed through the high school, while others will be distributed separately.

High school students are being invited to turn in to the Junior Red Cross at the school the names of families with small children whom they think Santa Claus might overlook if his attention isn't called to them. These lists will be supplemented with suggestions from the county social service agencies and with any turned in to The Tribune office.

Psychologists say infants have no ingrained fear of such things as snakes and thunderstorms.

'Climate Best' Sign 'Kayoes' Transient

After entering the Musso Drug Store late yesterday and announcing that he believed he had been struck by a car, a man who gave his name as Charles Murray and said he was from New York was treated at the Mason & Monteith Emergency Hospital in Redwood City, then transferred to Community Hospital. At the latter institution, physicians said this morning he appeared to be suffering only from hysteria; that he apparently had had a "fit." Murray said the last he remembered was seeing Redwood City's "Climate Best by Government Test" sign and wondering if the slogan were based on fact.

Known narcotic addicts in the British Isles totaled 616 at the end of 1936, the Home Office reports.

City Publicized By Sea Scouts

Back at their Redwood City homes today, after a Thanksgiving Day week-end spent at a Balboa Beach rendezvous, Sea Scouts of Ship 145 can boast of no trophies or awards, but they do believe they did a good job publicizing Redwood City in the Southern California city.

Many were the comments they heard on their land ship, "Challenger," which they took with them. The ship, which measures 33x15 feet when set up, was "knocked down" and put in the trailer for the trip, then set up at the site of the regatta and used not only as daytime headquarters, but as a sleeping room for the local scouts, who included Ray Torley, Ira Carlock, Don Sanders and Robert Dunkel. Skipper Victor Hugo accompanied the boys, who made the trip in an automobile.

As a result of their display of the ship, a request was made that the local scout unit prepare plans and specifications for the boat so that other units may duplicate it. High commendation was given the local boys for the ship.

The "Challenger" was conceived and built by the Redwood City unit under direction of Skipper Hugo.

Hugo said that many of the southern units promised to attend next year's Redwood City Labor Day Sea Scout Regatta. He predicted that between 800 and 1000 boys would attend. Last year there were about 650.

Some 600 scouts were present at the Balboa meeting. Lack of publicity resulted in only a score of visitors witnessing the events, however, Hugo said.

Many of the scouts in attendance were from Northern California, one ship going from San Mateo, one from Palo Alto, two from Oakland, one each from Santa Cruz and San Jose, and four from San Francisco. One ship came from Utah.

Wisconsin is the leading cheese producing state in the union, with New York ranking second.

Girl Scouts Aid Santa Claus In Packing Candy

Redwood City Girl Scouts today were busily preparing 2000 boxes of candy to be distributed by Santa Claus at the merchants' annual Christmas Party this Saturday evening.

Forgoing his usual sleigh and reindeer, Santa Claus will be driven at 7:30 o'clock in a city police car to the scene in front of the courthouse park and the Sequoia Theater on Broadway where several thousand youngsters and their parents are expected to gather to receive the gifts.

Police under the direction of Chief C. L. Collins will direct the waiting boys and girls into line to await the presentation.

Following the party, many Redwood City store windows along Main street, Broadway and El Camino Real will be ablaze with color for shoppers to receive a glimpse of the merchants' 1937 yuletide offerings. Few stores will remain open, however.

The annual Tribune award will be given to the merchant having the best decorated window, the judging to be held Friday night.

Adding to the gay yuletide picture Saturday will be the first lighting of the thousands of overhead colored lights that will illuminate the entire business district throughout the holiday season.

In charge of the celebration this year is General Chairman W. D. Ryan, with a committee of K. B. Towne, Joseph Territo, Clarence Choate and V. A. Jones. Walter Lynch is unable to participate due to illness.

Roosevelt Plan Would Jeopardize County Projects

County Engineer U. S. Marshall has asked Executive E. A. Rolison to enlist the support of the board of supervisors in an appeal to California's representatives in congress to fight President Roosevelt's plan to curtail federal road aid.

He declared that if the president's plan is carried into effect, continuation of the Ocean Shore highway will be virtually blocked.

Marshall pointed out that California's share of federal road funds for 1938 is $7,704,900, including $971,644 for secondary roads and $1,874,658 for grade crossing separations.

Under the president's plan, Marshall said, this appropriation would be spread over three years, reducing the 1938 appropriation to about $2,560,000.

He pointed out that the state gets its funds for the Ocean Shore boulevard and Junipero Serra extension from federal money, and if the appropriation is cut, the projects may be sacrificed. He said he may attend the State Highway Commission meeting in Watsonville Friday to stress the importance of continued federal support.

In a letter to Rolison today, Marshall urged that the supervisors contact representatives in Washington immediately as the decision will be made prior to December 31.

'WHAT TO GIVE' PROBLEM SOLVED

What to give at Christmas time is an annual problem that faces all of us, and the solution necessitates the choice of something that will not only please the receivers, but that also comes within the budget of the giver, according to the local manager of Western Auto Supply Company. Since the auto is so important in the life of everyone these days, a gift that makes motoring more comfortable and safe is probably one of the most acceptable of all Christmas remembrances, and among the hundreds of accessories being offered today, there is a gift for every member of the family or motoring friend. The large photo at the top depicts a typical motoring family and the auto accessory gifts that might be preferred by different members. Below it, they are seen with their gifts beside the family car; mother with windwings, sister with an inside control spotlight. Beside brother is his present—a Motorola car radio. He is holding an excellent gift choice for father—a car heater, while father displays the car's own gift, a dual tone horn. A marvelous new Western Air Patrol Radio for the home would be a most appreciated gift to the whole family, as shown middle right, while for boys and girls, nothing would be more acceptable than a streamlined Western Flyer bicycle.

Toastmasters Name Orators

Five men to represent the Redwood City Toastmasters Club when they join in a tri-city oratorical contest with Burlingame and Palo Alto clubs were elected following tryouts at the meeting held in the First Methodist Episcopal Church social hall Monday night.

Those selected, and the topics they discussed in five-minute talks under chairmanship of Mark C. Nesbit, were Harold F. Anderson, "Labor Racketeers," in which he considered the $15,000,000,000 annual toll reportedly extorted by racketeers and what he believes is the cure; Donald L. Bogie, "The Force of Habit," in which he urged care in formation of habits; Louis B. Dematteis, "It can't Happen Here," in which he considered not only the alarming growth of Communism in America but the fact that "it is already here"; Louis A. McAtee, "A Game of Cards," in which he considered the remarkable career of Mr. and Mrs. Ely Culbertson, contract bridge experts, and W. Earl Whitaker, "It's the Will That Counts," in which he emphasized need of will power, using examples of famous persons who have overcome handicaps.

The quintet will speak soon before the Burlingame club, which will vote on the best one of the group. He in turn will represent the Redwood City club in a sectional oratorical contest.

The club last night also heard appointment by Pres. Louis B. Dematteis of a nominating committee consisting of Whitaker, Bogie and Duncan Reynard, to report back next week so that elections for the coming semester can be held December 13.

Chairman of next week's meeting will be Reynard.

Mississippi State has followed the vogue set by South Carolina and now presents a dancing act between halves of its football games.

Legion Convention Films to Be Shown

Pictures of the national convention of the American Legion recently held in New York have been procured by the local post of the American Legion and are to be presented as part of the program of the Sequoia Theater Friday and Saturday.

The film presents shots of the monster parade and pageantry commemorating the growth of the legion "20 years after," and also presents a brief synopsis of the legion convention activities together with highlights of the stay of the legionnaires in the nation's greatest city. The film is to be shown in addition to the two regular features, "Ebb Tide," and "Adventurous Blonde."

$18,000 HOME PLANNED

Anita I. Bowie has recorded a contract with Suburban Builders Inc. for a two-story $18,000 home to be erected at the corner of Hayne road, Black Mountain road, and Santa Inez avenue in Hillsborough.

Local Deputy Fatally Hurt In Car Crash

Injuries Prove Fatal To Clarence Wikoff, Woodside Officer

A terrific crash that resulted in his sedan being so badly smashed into a power pole that it was necessary to remove it with a tow car before he could be taken from the machine brought fatal injuries Wednesday to Clarence Wykoff, of Redwood City, special deputy sheriff in charge of patrolling the Wodside area for the past seven and a half years.

Mr. Wikoff, who lived at 182 Westgate, where he had recently moved from 1228 Brewster avenue, was speeding to the scene of a minor accident when the fatal crash occurred. The accident happened on the Canada road opposite the N. B. Braly home, in Woodside.

TRAPPED IN AUTO

Witnesses said that Mr. Wikoff's car skidded on the fog-wet narrow pavement, notoriously dangerous because of its high center, crashed into a fire hydrant, shearing it off, and came to a stop almost completely "wrapped around" the pole. Marks later were noted on the pole approximately nine feet from the ground, it was said.

Efforts to remove Mr. Wikoff were futile until a tow car arrived to pull the machine away. He then was rushed by Layng & Tinney ambulance to the Mason & Monteith Emergency Hospital in Redwood City, then to Mills Memorial Hospital, where he died at 10:10 a. m. The accident had happened a few minutes after 8 o'clock.

WIFE, TWO DAUGHTERS

Mr. Wikoff is survived by his wife, May, who is engaged in real estate work with Mrs. Nettie M. Dusel, and by two daughters, Florence, teacher in the McKinley school in Redwood City, and Gladys, teacher in a private school in San Francisco. He had lived in Redwood City some 15 years.

Before taking up the Woodside work, Mr. Wikoff operated a cigar store in Redwood City.

For many years prior to that time he was a special officer in the Russ Building, San Francisco. Altogether, he had been an officer 35 years. He had also spent some time at sea in the days when schooners were used, and he was wont to tell stories of his days on the ocean; of his interesting trips to such places as the South Sea Islands.

At Woodside, Mr. Wikoff was employed by residents of the area. He was deputized by Sheriff James J. McGrath.

WORKED ON SELZ CASE

The officer aided investigation of Jerome Von Braun Selz, slayer of Mrs. Ada French Rice in her Woodside Glens cabin. Selz now is serving a life term in San Quentin Prison.

Mr. Wikoff was a familiar figure at Woodside, where he was known by practically all residents. Rain or shine, he appeared at the school each noon to aid children in crossing the road. He also guided traffic on Sundays at the Woodside Congregation Church and at the Catholic Church at Portola.

The mission on which Mr. Wikoff had gone this morning after being summoned from his home proved to be only a minor collision between a truck and automobile, in which no one was reported injured. A report of the accident had been made to the firehouse at Woodside. Firemen in turn notified the sheriff's office, and in turn Mr. Wikoff was called.

RITES SET FRIDAY

Besides his wife and daughters, Mr. Wikoff is survived by two sisters, Mrs. Charles E. Skidmore and Mrs. Eugene L. Brock, both of Berkeley.

Mr. Wikoff was a native of San Francisco. He belonged to Redwood City Lodge 168, Free and Accepted Masons.

HARBOR NEEDS AGREED UPON

Councilmen, Port Commissioners Consider Necessity of Warehouse

Necessity of providing additional facilities in the form of a storage warehouse and extension of the wharf at the Port of Redwood City was agreed upon unanimously Monday night when members of the city council and board of port commissioners met in informal session in the firehouse auditorium.

After hearing reports from Port Manager Walter F. Murphy of prospects of gaining Santa Clara valley fruit business in the spring—providing the port has a warehouse in which the produce can be stored—and from port commissioners of the possibility of other business, councilmen agreed they were convinced the facilities were necessary, but decided to defer for another month or so pending more study the asking, by a postcard ballot or other means, authority of the people to spend the money necessary.

It was explained, in answer to councilmen's questions, that although the present 100x120-foot transit shed at the harbor is but little used as yet, it must be available for movement of freight to and from the docks; can be used only for one-day or two-day storage.

The warehouse, which it is figured would be 100x300 feet in size, built on piling, and cost about $40,000, would be for accumulation of cargo to be shipped and for storage of incoming freight until it could be delivered. Sometimes freight might be left in the warehouse as long as six months, it was explained. Rental of the warehouse for the goods stored therein would easily pay for the investment, port commissioners said they believed.

With construction of the warehouse, at least 75,000, perhaps 100,000 tons of freight from the Santa Clara valley can be diverted through the local port, commissioners said their investigation had indicated.

"It is purely a matter of dollars and cents with Santa Clara valley shippers," Manager Murphy added. "They will ship their goods from the port where they can save the most money."

He explained that trucking firms have quoted savings of from 25 to 30 cents a ton on hauls from Santa Clara valley to the Redwood City harbor over San Francisco or Oakland ports. This, Murphy said, is more than sufficient to induce the shippers to use the local facilities.

"But there is no prospect of getting this business unless we have the warehouse," Murphy added.

"With the facilities we have now, there is no chance of making the port pay," emphasized John E. McCarthy, vice president of the port commission and temporarily presiding officer since death of Elmore B. Hinman. A new commissioner has not as yet been named by City Manager C. L. Dimmitt.

WAREHOUSE FIRST

Necessity of completion of the wharf so that large lumber vessels could be accommodated was stressed also, but it seemed to be agreed that the warehouse should be built first. The warehouse was contemplated in original plans, but it was decided to withhold its construction pending completion of the other facilities, to see what prospects then arose of business.

The city council has authority to spend $66,000 voted a year ago last June when the port facilities were authorized by the people in a 4½ to 1 vote, but has hesitated to issue bonds in that amount without consent of the people. At the time of the election, $266,000 in bonds were voted, but the council assured the people that if a PWA grant were received, only $200,000 would be issued. The grant was received, so the $66,000 authorized was never used.

Good indications that the port may soon lure industries have been had also, port commissioners said.

Above all, they agreed unanimously that the port should be made to pay for itself as soon as possible.

Present from the port commission were Vice President McCarthy, Henry A. Beeger, Edmund Scott and Elmer S. Hurrell. From the council were Mayor Paul A. McCarthy, James M. Eva, Robert N. Jones, Evans A. Fletcher, William Hohn and Louis Christensen. Councilman George McNulty was absent. Also attending were City Atty. Albert Mansfield and City Manager Dimmitt.

Burlingame Selects Orators for Contest

Burlingame-San Mateo Toastmasters, meeting in Burlingame last evening for their weekly dinner session, chose five speakers to represent the club in a tri-city speech contest, and then made plans to entertain five visiting speakers from Redwood City at a ladies' night next Wednesday.

Elected to speak December 13 at a joint meeting with Redwood City Toastmasters at the Methodist Church social hall here, were George White, toastmaster; A. M. Jeppeson, C. C. McRae, John J. Hartnett and Frederic O. Glover and George McQueen, both former members of the Redwood City unit.

Palo Alto is also in the contest.

Chats With Two Victims

Peninsula police were on the lookout today for a bold young burglar who looted a Lomita Park home under the noses of two women, thumbed a ride from a special deputy sheriff, and made his getaway with jewelry valued at $300.

Mrs. George Gigon and her daughter, Phyllis, were in the front yard of their home, 165 Santa Inez avenue, Lomita Park, Saturday afternoon, when a well-dressed young man, about 18, walked past. They paid no particular attention until they saw the same young man return.

He paused to converse casually with the two women, and to ask if the people next door were home. As he sauntered off down Santa Inez avenue Mrs. Gigon noted that the back gate to her own premises was open. Suspicious, she went to the rear of the home to find the back door standing open. A hurried inspection showed to her amazement that the home had been looted.

She called Harry N. Hayden, a deputy sheriff and representative of the California Water Service in Lomita Park, but failed to give Hayden a description of the burglar.

Hayden set out post haste in his car, and found a young man trying to thumb a ride on El Camino Real. Hayden picked him up, started questioning him, but as he turned his car to return to the Gigon home, the youth jumped out of the machine and escaped.

The deputy returned to the Gigon residence empty handed to learn that the youth he had picked up was the same suspected of burglary.

Mrs. Gigon and Hayden supplied the sheriff's office with this description of the burglar: Age, 18; height, 5 feet 6 inches; weight, 145 pounds; complexion, dark; hair and eyes, dark. The suspect wore a light hat with a black band, a black suit and tan shoes.

Missing from the Gigon home were two ladies' watches, one sapphire ring, a diamond brooch pin set with sapphires and pearls; a yellow gold signet ring with the initials "L.R.M."; a silver ring with the insignia of the Lomita Park school and the initials "P.G."; a white gold ring with topaz setting; a yellow gold necklace with a pendant in the form of a crab; and a coin purse containing keys and 80 cents.

You can always sell it through a get Satisfied Results.

California's state flag, having the figure of a bear, originated in an attempt to set up a republic

The first word of the preamble to the United States constitution is "we."

A game similar to modern checkers was played by the Egyptians as early as 1600 B.C.

Gifts Over $5.00
Altimeters, Auto Heaters, Batteries, Fog Lites, Auto Clocks, Auto Horns, Battery Chargers, Oval-Lites, Road Lites, Inside Control Spotlights, Pyrene Fire Extinguishers

And remember—you'll save at "Western Auto" on many other splendid gifts, such as Bicycle Accessories, Batteries and high grade Tools..!
SAVE with SAFETY!

"WHAT TO GIVE" is no longer a problem, and budget worries vanish, when you make "Western Auto" your gift headquarters. Give Auto Accessories, this year—from Western Auto Supply Company. Here are nine very good reasons why it's wise.

1—Auto Accessories are lasting ... pleasing and practical.
2—Your gift for the car will please the whole family.
3—No matter how old or how new the car, you'll find an accessory that will please.
4—Low prices enable you to give more and better presents.
5—A wide variety of articles to select from.
6—Merchandise is carefully displayed for convenient inspection.
7—Trained salesmen assist you in making your selections.
8—If it is from "Western Auto" it is the newest and best.
9—No matter where your gift is sent in the West ... a nearby "Western Auto" store will exchange it if it is not the exact type.

More "Sure-to-Please" Gifts
Family gifts that bring lasting enjoyment ... a superb 1938 model Western Air Patrol Radio—$15.95 and up .. a Motorola Car Radio—America's finest—as low as $32.95 .. both sold on easy terms .. or a set of bright patterned, durable seat covers—styles for all cars—a price for every purse..!

for SPORTS LOVERS
If he likes to fish or go camping ... make your selections at "Western Auto's" Outing Department. In addition to just about everything under the sun in "SURE-TO-PLEASE" Camping Equipment—all highest quality at lowest prices ... you'll also find fishing tackle that every angler will be proud to own at prices that are easy on your budget!

NEW and SMART
1. Service Vanity Mirror. Handsome, spaces for service records. 2. Hot Water Heater ... Many quick-heating models ... low prices. 3. Center License Light and Bracket, gives a modern touch. 4. Horn Ring Button ... Sound horn without removing hand from wheel. 5. Banjo Steering Wheel Spokes ... Gives modern appearance.

LEGAL

CERTICIFATE OF INDIVIDUAL TRANSACTING BUSINESS UNDER A FICTITIOUS NAME.

No. 800

KNOW ALL MEN BY THESE PRESENTS:

That I, the undersigned, Roger Roussille, do hereby certify:

That my name in full is ROGER ROUSSILLE; that my place of residence is 2810 Franklin Street, San Francisco, California;

That I am transacting business in the State of California under the fictitious name and style of "Empire Advertising Co."; that I am the sole owner and proprietor of said business; that the principal place of business is 7252 Mission Street, Daly City, San Mateo County, California.

IN WITNESS WHEREOF, I have hereunto set my hand and seal, this 5th day of November, 1937.

(Sizned) Roger Koussille.

State of California, City and County of San Francisco—ss

On this 5th day of November in the year one thousand nine hundred and thirty-seven before me, FLORA HALL, Notary Public, in and for the City and County of San Francisco, State of California, residing therein, duly commissioned and sworn, personally appeared Roger Roussille known to me to be the person whose name is subscribed to the within instrument and he duly acknowledged to me that he executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal, at my office in the City and County of San Francisco, the day and year in this certificate first above written.

(SEAL) FLORA HALL,
Notary Public in and for the City and County of San Francisco, State of California.

My commission expires May 5, 1941.

(ENDORSED) Filed in the Office of the County Clerk of San Mateo County, Calif., Dec. 2, 1937.

W. H. AUGUSTUS,
County Clerk.
By MURA B. STILLESON,
Deputy Clerk.

Published in the Times-Gazette, Dec. 3, 10, 17, 24, 31, 1937.

4 Occupations Are Described

Four speaker appeared Monday before the various Sequoia high school social problems classes taught by Ronald Anderson, addressing the students on their various businesses and professions in line with the occupational survey being conducted currently by those classes.

Today's speakers were City Clerk B. E. Myers, who told of "Jobs in City Government"; Councilman Louis A. Barrett of Belmont, retired forestry executive, who told of forestry as an occupation; A. S. Kalenborn, who described engineering and electrical welding, and C. F. Andrews, assistant manager of the Pacific Title and Trust Company, who spoke on the title and insurance business.

Each man outlined the qualifications and training necessary for his specific work, along with its advantages and disadvantages.

Gelber Directs New Symphony

Appointment of Max Gelber, Sequoia High School instrumental music director, who is now recuperating from an eye operation, as conductor of the symphony to be sponsored here by the Sequoia Parent-Teacher Association was announced today.

In making the announcement, Mrs. B. E. Myers, president of the district P.-T. A. association, declared, "We are confident that this orchestra will provide our district with unusual musical enjoyment and give players of orchestral instruments an opoprtunity to participate in the playing of the world's finest music.

"We hope to give the first concert at an early date."

Sponsorship of the orchestra will be the major project undertaken by the P.T. A. this year. Announcement of organization and rehearsals will be made later, according to Mrs. Myers.

INTERESTING CAREER

Appointment of Gelber as director is expected to add impetus to formation of the symphony. The career of Gelber, Sequoia instructor since 1926, has ben an interesting one.

His musical training began in Toronto, Can., where at the age of seven he began study of piano and violin. When Gelber's family moved to California, his music studies were continued. While still in high school he became a professional musician in a concert orchestra.

After his graduation from San Diego High School, Gelber attended the University of California, there becoming student conductor of the university orchestra, at that time under the leadership of the late Paul Steindorff. Gelber at the same time also served as conductor of the University Little Theater Orchestra and was the founder and violinist of the University Trio, still a part of university musical life. He was also violin soloist of the glee club. All this time, he gave private lessons, and took them himself.

STATE-WIDE REPUTATION

In Redwood City Gelber has earned a state-wide reputation. In recognition of his ability he was selected by music teachers of the Far West to organize and manage an orchestra made up of the best players of the schools in California. This group appeared in concert last March in San Francisco under the baton of Alfred Hertz.

In 1930, taking a leave of absence from the school, Gelber studied a year in Salzburg, Austria, birthplace of Mozart, under guidance of Dr. Bernhard Paumgartner, director of the Mozarteum, a national conservatory. He also studied advanced theory and harmony with Dr. Friedrich Frischenschlager of the faculty of the same conservatory.

Gelber has been at Sequoia since his return in the fall of 1931.

Monarch butterflies migrate like birds, flying thousands of miles from as far north as Alaska.

Seniors Win Panel Debate

Carolyn White was declared winner of the interclass panel debate held by representatives of the junior and senior classes Tuesday at Sequoia high school on the question "Is Japan Justified in Her Actions Towards China?" Because Miss White is a senior, the class of 1938 was winner of the interclass contest.

Speaking in panel discussion form on various phases of the question were Clara Arthur, senior; Robert Bebb and Barney Olson, juniors, and Miss White.

Judges were Mrs. Eyla Wooldridge, Harvey Hall and Donald Cherry.

A formal type debate with a team from San Jose was to be held today at Sequoia, Benny Iijima and Esther Colton upholding for Sequoia the affirmative side of the question, "Resolved: That the several states should adopt the unicameral system of legislation." In a return encounter at San Jose tomorrow, Sequoia will take the negative, using a team yet to be named by Mrs. John D. Peck, debate adviser.

On December 8 an affirmative team from Cupertino will come to Redwood City to debate the same question with Sequoia, while an exchange debate with Burlingame will be held on the same question December 14.

Value Fixed At $4,650,000

Plans for distribution of Hetch Hetchy water to Palo Alto and San Jose progressed Monday on two fronts.

San Francisco supervisors voted $20,420 to cover rights of way costs for the Redwood City-Palo Alto pipe line.

In San Jose the city received an appraisal from the firm of Burns & McDonnell, Kansas City, showing the value of the San Jose Water Works to be $4,724,000. The city plans to purchase the distribution system to qualify as a Hetch Hetchy customer.

The water works appraisal compares closely with the city's offer of $4,650,000 made to the utility last March. The new figure is based on reproduction costs less accrued depreciation. The appraisal itself cost the city $12,500.

San Francisco voted funds for the Redwood City-Palo Alto right of way, already condemned by the city, only over the objections of Supervisor Adolph Uhl, who sought to force a postponement. Uhl demanded an opinion from the city attorney on the right of San Francisco to sell Hetch Hetchy water to peninsula communities.

He was defeated by a 6-2 roll call. City Attorney John O'Toole ruled that the plan included ample protection of the rights of the Modesto irrigation districts.

MENLO PARK NEWS

J. B. Kelly celebrated the 76th anniversary of his birthday at his home on Glenwood avenue Sunday by giving a small dinner party for a few friends.

Thirty years ago Kelly was very active in county politics. His support was always sought by candidates for office. He was campaign manager for the late John MacBain in his contests for supervisor of the third township.

The duck season opened last Saturday for one month. From all reports but few limits were taken. Old hunters cannot account for the scarcity of birds, as there has been plenty of rain to bring the birds to the local marshes, and other conditions are favorable.

Even in the big state preserves only a small percentage of the usual big flights from the north arrived.

On December 6 Trinity Guild of the Episcopal church will meet at the Woodside home of Mrs. Francis Crosby.

The invitation was accepted recently when the members gathered at the parish house to sew for St. Dorothy's Rest, Sonoma county.

Friends on the peninsula are learning with surprise of Miss Rose Valla's marriage in Virginia City Monday to John Blackwood. The newlyweds are now at home at 1076 Laurel avenue, Menlo Park.

Mrs. Blackwood is a daughter of Mrs. Pierre Valla of Palo Alto. She was graduated from Sequoia Union High School in 1932. Her husband is a son of Mr. and Mrs. Louis Blackwood of Riverton, Minn. His business has brought him to the peninsula frequently during the last five years and he has now decided to remain.

The annual Christmas candlelight tea given under auspices of the Catholic Women's Literary Guild for the benefit of the Sisters of Corpus Christi Monastery will take place Friday afternoon, December 10, in the parish hall of the Church of the Nativity, Oak Grove avenue, Menlo Park.

A program of unusual excellence will be presented, beginning at 2:30. The numbers include: Boys' vested choir of 45 voices from St. James School, San Francisco, singing both sacred and secular numbers; Clay M. Green Players of the University of Santa Clara in an episode from "Murder in the Cathedral," with James Doherty in the role of Thomas Becket, Archbishop of Canterbury; and a pantomine of the legend "Our Lady's Juggler" by Roberta and Dolores Hardwick, assisted by the St. James' Choir.

Gift articles and homemade delicacies will be on sale. Admission will be a silver offering, and the doors open at 1:15 p.m.

Mrs. Fannie I. Kurtz, efficient Menlo Park city clerk, spent the week-end with friends in Los Angeles. Mrs. Kurtz went over to the "sliding hill" area and was amazed at the sight of the slowly vanishing elevation.

Rainfall for the recent storm was .42 of an inch, making a total of 4.42 inches for the season. This is considerably more than at this time last year.

Owing to gentle rains and warm weather, mushrooms have been plentiful during the past week. Full baskets have been gathered in the hills facing Sand Hill road and in other places.

Supervisor James S. James of Burlingame has purchased a parcel of land in Felton Gables on which he will erect a dwelling soon. He plans to move to Menlo Park.

Mr. and Mrs. Ted Andrews and their son, Ted Jr., returned over the week-end to their Menlo Park home after having spent the Thanksgiving Day holiday with Mrs. Andrews' mother, Mrs. T. W. Harris, in Sacramento.

Attorney Director Of Agricultural Unit

Appointment of Atty. Bradford M. Melvin of San Mateo as a director of Agricultural District Association 1-A and a member of the district board of agriculture was announced in Sacramento today by Governor Merriam. He succeeds Ernest Drury, San Francisco, resigned. Melvin's term will expire January 15, 1938.

California's state flag, having the figure of a bear, originated in an attempt to set up a republic in 1846.

Housing Program Expected to Prove Of Aid to Harbor

Port Redwood City will become an "important lumber distribution center" in the opinion of George M. Cornwall, publisher of the Timberman, international lumber journal at San Francisco and Portland.

In Redwood City Monday to visit Port Manager Walter F. Murphy and to view progress at the local port, Cornwall stated that three additional improvements must be made, however, before the port can live up to its vast potentialities.

"First," he declared, "you must finish the railroad spur track. Second, complete the dock facilities for lumber handling. And third, build a warehouse for storage of plywood, doors and finished lumber."

"Space is absolutely essential to handle lumber cheaply," he pointed out. "You have that, but you also need these improved handling facilities, and increased dock areas.

IDEALLY LOCATED

"Redwood City is ideally located," he continued. "You are in the center of a rich agricultural area, and it naturally follows that there will be a heavy consumption of lumber, because the tendency is for larger farm holdings to be broken up into smaller areas, thus creating a demand for new construction."

Cornwall was optimistic on the general outlook for the future. He pointed to two contributing factors which should return the lumber business to increasing activity again after the first of the year—labor and President Roosevelt's new housing program.

AID TO LUMBERING

"I anticipate that by the first of next year, unsettled labor conditions will have passed. Already one of the two ports affected, Coos Bay, is returning to normal. The S. S. West Ida has returned from Portland to Coos Bay where it will resume loading of 2,400,000 feet of lumber for the Argentine. At Portland, the other troubled area, I feel the worst is over, as public sentiment will not allow the fight between the CIO and AFL labor unions to continue unchecked any longer."

Of the president's plan, Cornwall said:

"It will provide for a national building program to bring use of millions of feet of lumber which will aid production and shipping."

Contributing to Redwood City's bright future, in Cornwall's opinion, is not only the central location in the midst of a large consuming area, but the favorable climatic conditions here, which provide for "excellent lumber seasoning."

Cornwall has just concluded a trip through the northwest which took him as far as Vancouver Island, B. C.

Boys' Gym Ceiling Has Face Lifted

The ceiling of the Sequoia High School boys' gymnasium last week received its first coat of paint since 1925. The gloomy, accumulated greyness of the rafters and woodwork were doused under a clean, new tan.

LEGAL

NOTICE OF SALE OF REAL ESTATE
No. 7563—Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of CHARLES HARKINS, Deceased.

Notice is hereby given that the undersigned, THE BANK OF CALIFORNIA, NATIONAL ASSOCIATION, a national banking association, CLARENCE GEANDROT and HARRY REGAN, executors of the last will and testament of Charles Harkins, deceased, will sell at private sale, to the highest bidder, for cash, in lawful money of the United States, subject to confirmation by the above entitled court, upon the terms hereinafter set forth, all or any part of the following described parcel of real property situate in the County of San Mateo, State of California, and belonging to the estate, to-wit:

The south ½ of the southwest ¼ of Section 31 and lot 4 in Section 31, Township 5 South, Range 4 West, Mount Diablo Meridian, containing 129.36 acres of land more or less, also the north ½ of the northwest ¼ and the north ½ of the northeast ¼ of Section 1, Township 6 South, Range 5 West, Mount Diablo Meridian, containing 200 acres of land. Beginning at an iron pipe monument set in the southerly boundary line of what was formerly known as the Oren A. Giles 342.88 acre tract; said monument being due west on and along said boundary line 1260 feet from the point of intersection of the section line between sections 5 and 6 in Township 6 South, Range 4 West, Mount Diablo Base and Meridian, with said southerly boundary line; thence north 5° east 1189 feet to an iron pipe monument for corner, thence north 25½° east 570.3 feet to an iron pipe monument set for corner in the northerly boundary line of said Oren A. Giles 342.88 acre tract, being also northerly boundary of said Section 6, thence due west on and along said northerly boundary 4187 feet more or less to the northwest corner of said Section 6, thence due south on and along the west boundary of said Section 6, a distance of 3030 feet more or less to the southwest corner of the southwest ¼ of the northwest ¼ of said Section 6, thence due east 2534 feet more or less to the center of said Section 6, thence due north 1320 feet; thence due east 1151 feet more or less to the place of beginning. Containing 223 acres of land more or less.

NOTE: Assessed as follows: 234.88 acres portion of lots 1 and 2, Section 5, Township 6 South, Range 4 West. Northwest ¼ and north ½ of northeast ¼ of Section 6 Township 6 South, Range 4 West. 174.4 acres north ½ of north ½ of Section 1, Township 6 South, Range 5 West. 129.36 acres more or less being south ½ of southwest ¼ and lot 4 of Section 31, Township 5 South, Range 4 West.

Said sale will be made of all of said land or any part thereof, at the discretion of the executors, on or after the 6th day of December, 1937, at 10 o'clock A.M., at the banking office of said The Bank of California, National Association, at No. 400 California Street, San Francisco, California, on the following terms: Ten (10) per cent of the purchase price shall accompany the bid, and the balance of the purchase price shall be payable within thirty (30) days after the date of confirmation of sale by the court.

Bids will be received by said executors at the banking office of said The Bank of California, National Association, 400 California Street, San Francisco, California. All bids or offers for the above described property must be in writing, and may be left with said bank at its aforesaid office or delivered to it personally, or may be filed in the office of the clerk of the court, to which the return of sale must be made at any time after the first publication of this notice and before the making of the sale.

Dated at San Francisco, California, November 16, 1937.

THE BANK OF CALIFORNIA, NATIONAL ASSOCIATION,
By N. D. PLATT,
Assistant Trust Officer.
CLARENCE GEANDROT,
HARRY REGAN,
Executors of the last will and testament of Charles Harkins, deceased.

General Meet Set On Community Chest

The Community Chest investigation committee completed its work yesterday afternoon, and called a city-wide meeting for December 13.

At that time it will recommend that Redwood City adopt the community chest plan.

The committee will present a suggested set of by-laws.

Oregonian Wins Executive Post Of County 'Y'

Election of Thomas W. Badley of Astoria, Ore., as executive secretary of the Peninsula YMCA was announced today by Joseph Acheson, chairman of the committee of management.

Formerly boys' work secretary of the Portland YMCA, Badley has for several years past served as general secretary of the Astoria "Y" and brings to his new position valuable experience in both program and administration affairs.

Before entering YMCA work Badley served as resident boys' worker at the Potrero Hill Neighborhood House and is familiar with community problems in the peninsula and bay region.

Mr. and Mrs. Badley and their two children will arrive about January 1 to assume the new duties. They will live in Redwood City.

Norman Nevraumont is acting secretary of the "Y" pending the arrival of Badley.

'Y' Members Plan 'Bike Hike' Saturday

A "bike hike" of local Young Men's Christian Association members is planned for Saturday morning, according to Norman Nevraumont, acting 'Y' secretary for the peninsula. Those attending should bring their own bicycles and lunch, and meet in front of McKinley School at 9 a.m., Nevraumont said.

He also reported that Glenn Pennebaker and Roy Coombes have organized a Pioneer Club at the Congregational Church, and that James Argo hopes to start soon a Friendly Indian Club at Lincoln School.

Mineral production in Canada during the first half of this year established a new record.

CURE OFFERED WORKERS NOW

The current sale of Christmas Seals in San Mateo County helps to finance an educational campaign to promote the use of Pneumothorax, shown here. Duplicates are found at the Community Hospital, California Sanatorium at Belmont and Canyon Sanatorium at Redwood City and in other institutions. The patient in this photograph is receiving pneumothorax treatment for tuberculosis, just as are a number of residents of San Mateo County, some of whom are able to continue with their work while taking the cure. Pneumo means air and thorax refers to the chest. By this process the infected lung is put to rest, thereby restricting respiration to the healthy lung. When tuberculosis is discovered early pneumothorax treatment can save thousands of lives. This educational work for early diagnosis by the use of the tuberculin test and x-ray is made possible through the sale of Christmas Seals, by the local tuberculosis association.

Jockey Is Denied Hearing Before State Race Board

Jockey Donald Lyons Monday lost his fight to force California Horce Racing Board to grant him a special hearing in the famous "buzzer" case which caused his suspension at the last Bay Meadows meeting.

William F. Cleary, deputy attorney general, appeared on behalf of the racing board, and moved for dismissal of Lyons' plea and discharge of the alternative writ.

Lyons' attorney, M. J. Dooley, argued at length that the special hearing should be called to clear up one of the most sensational scandals in California horse racing history. Lyons claimed that he was the victim of a "frameup" perpetrated by the stewards and state inspectors at the track.

Judge McNutt ruled, however, that the stewards had suspended Lyons only for the balance of the Bay Meadows meeting, that since the meeting had ended Lyons was automatically reinstated to good standing on the turf, and that the question was therefore moot.

Tickets for Lions' Play Selling Fast

Tickets for the Lions Club play to be presented with a cast from the San Carlos Players in Sequoia high school auditorium this Friday and Saturday evening were reported selling fast today by Chairman Wayne R. Millington.

Proceeds will be used to help purchase uniforms for the Redwood City Municipal Band so that it may play at the New Year's Day Shrine East-West football game in Kezar Stadium.

A three-act mystery melodrama by Vic Connors, "Ghosts at Midnight," which was enthusiastically received by San Carlos several weeks ago, will be the attraction.

Featured in the cast are Jane Dilg, leading lady, and Fred Rasmussen, Joe Maxwell and Harold Jones, with Hugh Riley, Albert Smith, Kate Davis and Genie Smith.

Curtain time for the production will be 8:30 o'clock. Reserved seats may be purchased at Musso Drug Company, with general admission tickets available from all Lions Club members.

Sewer Funds Appropriated

ATHERTON, Dec. 1—Funds for a preliminary engineering survey of northwest Atherton to determine the cost of constructing outfall sewer connections in that district were appropriated by the Atherton town council at its regular monthly meeting yesterday. Five hundred dollars was voted to City Engineer James S. James for the survey.

The appropriation was voted upon the motion of Councilman Clarence Walter and the second of Councilman James B. Howell after Howell had objected to spending public money for the benefit of a minority of Atherton's residents.

Bounded roughly by El Camino Real, Atherton avenue, Stockbridge avenue, and the northwest town boundaries, the district includes one-fourth of the community's population. Engineer James reported that it is served by septic tanks and that sanitary conditions are not satisfactory.

Property owners contributed to the original cost of the North Fair Oaks Sewer District and pay a yearly maintenance tax, but only those whose acreage adjoins the main on Selby lane have connections to the district's outfall sewer.

Arthur J. Dibblee, attorney for the town, asked further time for a consideration of the Pacific Gas and Electric Company's request for renewal of its heat, light, and power franchise.

The Flood Realty Company was asked for a clarification of its suggestion that the town proceed with the installation of a permanent power connection to the lighting system of Lindenwood, without waiting for tests and acceptance of the system, which is being built by the realtors and is to be maintained by the town.

Acknowledgement was made of a communication from the El Camino Real Association, asking that Atherton appoint a committee to cooperate in obtaining widening of the artery from Redwood City to Palo Alto. No action was taken.

Coast Road Program Up

San Mateo county officials will join the trek of public officers from state, city, and central coast governments to Watsonville and Del Monte Friday for the sessions of the State Highway Commission and the California Mission Trails Association.

The highway group will meet at Watsonville where the San Mateo county group will lend its support to the Santa Cruz county effort to induce the state to widen the Santa Cruz-Watsonville highway.

Members of the Ocean Shore Boulevard Association, backed by the directors of Highway District 9, will present a definite program to the commission.

The trails association will meet at Del Monte on the same day to begin active work on exhibit plans for the 1939 world's fair in San Francisco. Advance reservations indicate that the 1937 convention will be the largest in the association's history.

Among the guests will be Governor Merriam, State Director of Public Works Earl Lee Kelly, Mayor Angelo Rossi, and Herbert C. Legg, Los Angeles county supervisor frequently mentioned as a candidate for governor next year.

The association is expected to continue its efforts for widening of El Camino Real between Redwood City and Palo Alto, and for returning to the historic highway its designation U. S. Highway 101. Phillip Palmer of Sunnyvale will demand that the Bayshore highway be made the 101 "alternate" instead of El Camino.

Official county delegate to the trails association meeting will be Supervisor Fred E. Beer. Supervisor Alvin S. Hatch will represent the board of supervisors at the highway commission session.

George E. Dunn, chairman of the Ocean Shore Boulevard Association, has broadcast an appeal to the county to send a large delegation to the Watsonville session.

Henry Witte, Mayor Paul A. McCarthy, City Manager C. L. Dimmitt, Roy S. Bissell, Clifton H. Woodhams, Perry A. Bygdnes, and Roscoe Wyatt plan to attend.

New Civil Service Positions Offered

Civil service competitive examinations for health and biochemist posts were announced today by the United States Civil Service Commission.

The positions open are those of associate biochemist (syphilis research), $3200 per year, public health service; specialist in maternal and child health, $3800 a year; senior and principal specialists, $4600 and $5600 a year, and associate in maternal and child health, $3200 a year, all in children's bureau, department of labor.

Full information may be received from the local postoffice.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

PARCEL 1:

LOT Number Ten (10) in Block Number Six (6) of "DINGEE PARK" as designated and delineated upon a certain map entitled "Map of Resubdivision of Dingee Park," filed in the office of the County Recorder of San Mateo County, State of California, on the 8th day of July, 1908, in Map Book No. 6, at pages 25 and 26, to which said map and record thereof reference is hereby made for a more fully and particular description of said lot.

PARCEL 2:

BEGINNING at a point on the Southeasterly boundary of parcel of land deeded by Effie J. Fox to George De Forrest Squires dated August 13, 1906, as recorded in Deed Book 177 at page 420, in the office of the Recorder of San Mateo County, distant thereon S. 45° 39' W. 769.86 feet from its intersection with the Westerly boundary of land now or formerly of Rixford, said point of beginning being further described as being distant along said first named boundary N. 45° 39' E. 552.74 feet from its intersection with the Southwesterly boundary of the Pulgas Rancho and N. 45° 39' E. 530.24 feet more or less from its intersection with the Northeasterly boundary of the Canada Road; thence from said point of beginning N. 44° 21' W. 163.18 feet; thence S. 45° 39' W. 520.45 feet to said Northeasterly boundary of the Canada Road; thence along said Northeasterly boundary of Canada Road S. 40° 56' 30" E. 163.31 feet to said Southeasterly boundary of land so conveyed to Squires by Deed recorded in Book 177 of Deeds at page 420; thence along said last named boundary N. 45° 39' E. 530.24 feet to the point of beginning. CONTAINING 1.9676 Acres, more or less.

RESERVING a right of way for ingress and egress over a strip of land 8 feet wide lying along and Southeast of the Northwesterly boundary of property hereinabove first described.

TOGETHER with a right of way for ingress and egress to be used in common with others over a strip of land 8 feet wide lying along and Northwest of the Northwesterly boundary of the property hereinabove first described.

That said sale will be made on or after the 14th day of December, 1937, upon the following terms and conditions, to-wit:

For cash, in Lawful Money of the United States, payable as follows: Ten (10%) per cent of the purchase price to accompany the bid, balance on confirmation by said Superior Court. Deed and Instrument of Title and Abstract to be at the expense of the purchaser. All bids and offers must be in writing and may be left at the Law Offices of O'KEEFE & O'KEEFE, Sequoia Building, Redwood City, San Mateo County, California, or may be delivered to the Administratrices hereinabove named, at their respective places of residences, to-wit: No. 143 Birch Street, Redwood City, Cal., and No. 1190 Hamilton Street, Palo Alto, Cal., or may be filed in the office of the Clerk of said Superior Court at any time after the first publication of this Notice and before making of the sale.

DATED: At Redwood City, Cal., November 30, 1937.

MABEL KELLEHER,
DOROTHY BLABON,
Administratrices of the estate of GEORGETTE DEARBORN, also known as GEORGETTE L. DEARBORN, also known as G. L. DEARBORN, deceased.
O'KEEFE & O'KEEFE,
Attorneys for Administratrices.

Publish Times-Gazette, Dec. 3, 10, 1937.

November Building Lags in Rural Areas

Building permits in San Mateo county for November totaled $114,650 for the unincorporated districts, County Building Inspector William Watson Jr. reported as he closed his monthly books Tuesday.

The sum was below the $142,629 total recorded in November, 1936, and a considerable drop from the $170,270 sum during October, Watson said. However, he expected the year's total would surpass the $2,000,000 mark as it did in 1936.

Third St. Widening Aids S. M. Motorists

Third street, one of San Francisco's main peninsula traffic arteries, will be widened under a WPA project approved by the board of supervisors.

The board Monday voted $65,000 as the city's share of the undertaking to add five feet to each side of the street from Bayshore highway to Burke street.

If no federal aid is received, the city intends to carry on the widening from Burke to Channel street.

Currie Appointed To Defend Suspect

Virgil Jones, charged with burglarizing the home of Donald Kauffman in Emerald Lake, was arraigned in superior court Monday Judge A. R. Cotton appointed Atty. Cuthbert B. Currie to defend Jones.

Jones was arrested in San Francisco after he was shot by a San Francisco police inspector who accosted him in a Third street pawn shop.

The German language contains about 300,000 words.

This Robber's In, Like It or Not

Though San Mateo county's jail is recognized as one of the best in the state, it is no bargain as far as Winfield J. Randhahn is concerned. Randhahn, whether he likes it or not, will spend the next six months in the establishment.

He was sentenced Monday by Judge Maxwell McNutt on charges of attempted robbery, and was placed on three years probation in addition to the jail term.

"I'd rather spend a year in San Quentin than six months here," Randhahn told deputy sheriffs on his return from court. "At San Quentin you get to see the shows. Down here there's nothing doing."

Randhahn was convicted of attempting to rob George Wight on a San Bruno street. Wight talked Randhahn out of it and turned him over to San Bruno police.

One of Sir Thomas Wyatt's most beautiful poems was written about Anne Boleyn before she married Henry VIII.

Four Cases of Mumps Reported in County

Four cases of mumps were listed on the weekly county morbidity report released today. None of the cases was reported from Redwood City.

Mumps was reported in Menlo Park and San Bruno; tuberculosis in North Palo Alto and San Mateo. Three cases of whooping cough were listed in Daly City.
